

Tax Semi-Senior (International Tax Dept)

Full time - Job description

About the role

You will be based in our City office working within our expanding International Tax department as a Tax Semi-Senior. The role will be a mix of general tax and international tax matters, working within the International Tax team, under the supervision of a Senior and Partner.

Is GE right for you?

A dynamic and evolving organisation which puts individuals at the heart of its business. We provide exciting opportunities across our firm, enabling our team to achieve new heights in their career. Here you will be challenged, supported and most importantly heard, enabling you to develop your skills and grow professionally and personally.

You will receive hands on training, personal development and support from leading and seasoned practitioners, partners and experts in their field, enabling you to quickly grow your knowledge and expertise and excel in your chosen career.

How we give back

To ensure our employees know how much we value their hard work, we offer an extensive benefits and perks package. Our package covers your lifestyle, health and wellbeing, development and finances. How about an additional day off to celebrate your birthday? Or utilising our in-house mentoring scheme? And access to our Work Life Well platform? These and many more perks are included in your GE employee benefits pack. To see the full list, [click here](#).

What will the role entail?

Responsibilities

- Processing personal tax cases varying in complexity between straightforward repayment claims and high net worth individuals, including company directors, self-employed individuals and partners/partnerships.
- **Corporate Tax Compliance**
- Preparation of computations and returns, which may include personal tax affairs of the directors
- Responsible for monitoring the corporation tax status of companies, producing monthly reports to ensure that contact partners and managers are fully aware of the client's corporation tax position.
- Tax administration duties for the other members of the tax department
- **International Tax**
- Processing of non-resident landlord tax returns for individuals
- Processing of tax returns for resident non-domiciled individuals
- Processing of corporation tax returns for corporate non-resident landlords
- Processing of non-resident capital gains tax returns
- Processing of ATED returns/relief returns
- Ad hoc research on cross-border tax issues to support advisory work
- **International Tax advisory**
- Assist in preparing advisory reports in relation to residency, and all pre-arrival tax planning
- Assist in property structuring reports

Requirements

- Preferred experience of at least 2-3 years in tax-related work
- Interested in a career in tax and a willingness to progress and develop tax knowledge and undertake CTA.
- Ability to work on multiple accounts simultaneously.
