

Tax Trainee

Full time - Job description

About the role

You will be based in our City office working within our expanding Tax department as a Tax trainee, combined office-based and client facing role. The role will be a mix of general tax and international tax matters, under the supervision of a Senior and Partner.

Is GE right for you?

A dynamic and evolving organisation which puts individuals at the heart of its business. We provide exciting opportunities across our firm, enabling our team to achieve new heights in their career. Here you will be challenged, supported and most importantly heard, enabling you to develop your skills and grow professionally and personally.

You will receive hands on training, personal development and support from leading and seasoned practitioners, partners and experts in their field, enabling you to quickly grow your knowledge and expertise and excel in your chosen career.

How we give back

To ensure our employees know how much we value their hard work, we offer an extensive benefits and perks package. Our package covers your lifestyle, health and wellbeing, development and finances. How about an additional day off to celebrate your birthday? Or utilising our in-house mentoring scheme? And access to our Work Life Well platform? These and many more perks are included in your GE employee benefits pack. To see the full list, [click here](#).
